RESPONSE TO NON-FINAL OFFICE ACTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This paper is submitted in response to the non-final office action dated August 30, 2004 in which the Examiner rejected pending claims 1-6, 9-11, and 14-16 as obvious (35 U.S.C. §103) over prior art. On November 30th, the attorney for Applicants and the Examiner held a phone interview to discuss the rejection. During the phone interview, the Examiner acknowledged that the pending claims are likely patentable over the cited art, but said that he wanted to do further searching to determine whether further prior art could be located to reject the claims. Notwithstanding, Applicants submit that the pending claims are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Remarks/Arguments begin on page 2.
